This course defines what students should understand and be able to do by the end of 1st grade. The standards emphasize explicit, systematic phonics instruction as the foundation of literacy. Decoding and fluency are essential to creating proficient readers. Knowledge acquisition should be the primary purpose of any reading approach as systematic building of a wide range of knowledge across domains is a prerequisite to higher literacy.

The benchmarks in this course are mastery goals that students are expected to attain by the end of the year. To build mastery, students will continue to review and apply earlier grade-level benchmarks and expectations.

Use a multimedia element to enhance oral or written tasks.

Clarifications:

Clarification 1: Multimedia elements may include, but are not limited to, a drawing, picture, artifact, and audio or digital representation. At this grade level, the element should relate to the task. As long as the student is able to explain how the picture relates, the multimedia element is suitable. The element may be shared at the beginning or added on to the end instead of shared during the course of the task. There is no expectation that the element be integrated into the task.

Standard Relation to Course: Major

- [ELA.1.C.5.2](#): Identify and use digital tools to produce and publish writing individually or with peers and with support from adults.

Standard Relation to Course: Major

- [ELA.1.F.1.1](#): Locate the title, table of contents, names of author(s) and illustrator(s), and glossary of books.

Standard Relation to Course: Major

 - b. Orally blend initial, medial, and final phonemes together to produce a single-syllable word that includes digraphs, blends, or trigraphs.
 - c. Blend single-syllable spoken words with at least five phonemes.
 - d. Segment single-syllable spoken words with at least five phonemes.
 - e. Segment and blend phonemes in multi-syllable spoken words.

Clarifications:

Clarification 1: Phonological awareness only refers to what can be done orally at both the sound and syllabic level. This includes isolating sounds, blending sounds, and orally segmenting words based on syllables. It does not involve print or letter knowledge.

Standard Relation to Course: Major

- [ELA.1.F.1.3](#): Use knowledge of grade-appropriate phonics and word-analysis skills to decode words accurately.
 - a. Decode words using knowledge of spelling-sound correspondences for common consonant digraphs, trigraphs, and blends.
 - b. Decode simple words with r-controlled vowels.

Clarifications:

Clarification 1: Phonics refers to the relationship between graphemes (letters or letter combinations) and phonemes (speech sounds).

Clarification 2: Students will decode decodable high frequency words appropriate to the grade level. See [1.F.1.4](#) and [Dolch and Fry](#) word lists. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Standard Relation to Course: Major

- [ELA.1.F.1.4](#): Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.
 - a. Recognize and read with automaticity the grade-level sight words.

Clarifications:

Clarification 1: See [Dolch and Fry](#) word lists.

Clarification 2: Many of the high frequency words at this grade level are either irregularly spelled and therefore not decodable or are temporarily irregular, meaning that students have not yet learned the phonics rule that would enable them to decode the word. Those words that are decodable should be introduced to students using appropriate phonics rules. See [1.F.1.3](#). Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Clarification 3: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with speed.

Clarification 4: “Appropriate prosody” refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 5: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Standard Relation to Course: Major

- [ELA.1.R.1.1](#): Identify and describe the main story elements in a story.

Clarifications:

Clarification 1: Main story elements for the purpose of this benchmark are the setting, characters, and sequence of events of a story.

Clarification 2: In describing the characters, students can describe appearance, actions, feelings, and thoughts of the characters. Students will explain what in the text their description is based on.

Clarification 3: For setting, students will discuss where the events of the story are happening. The time element of setting should only be addressed in texts where it is explicitly indicated.

Standard Relation to Course: Major

- [ELA.1.R.1.2](#): Identify and explain the moral of a story.

Clarifications:

Clarification 1: This benchmark introduces the moral of a story as a precursor to theme in 2nd grade. A moral is the lesson of a story.

During instruction, let students know that not all stories have a lesson by referring to stories read that did not have a moral or a lesson.

Standard Relation to Course: Major

- [ELA.1.R.1.3](#): Explain who is telling the story using context clues.

Clarifications:

Clarification 1: Students will use the term narrator to refer to the speaker telling the story. Students will determine if the narrator is a character in the story or a speaker outside of the story. Students will give reasons why they know who is speaking.

Standard Relation to Course: Major

- [ELA.1.R.1.4](#):

Identify stanzas and line breaks in poems.

Clarifications:

Clarification 1: This benchmark can be paired with [R.1.1](#), [R.1.2](#), [R.1.3](#), and [R.3.2](#) for instruction with story poems.

Standard Relation to Course: Major

- [ELA.1.R.2.2](#): Identify the topic of and relevant details in a text.

Standard Relation to Course: Major

- [ELA.1.R.2.3](#): Explain similarities and differences between information provided in visuals and words in an informational text.

Clarifications:

Clarification 1: When explaining similarities and differences, students will also explain how the visuals and words help the reader make sense of the topic.

Clarification 2: During instruction, give students opportunities to see visual representations of similarities and differences using tools such as Venn diagrams or T-charts.

Standard Relation to Course: Major

- [ELA.1.R.2.4](#): Identify an author's opinion(s) about the topic.

Standard Relation to Course: Major

- [ELA.1.R.3.1](#): Identify and explain descriptive words and phrases in text(s).

Clarifications:

Clarification 1: Continue to expose students to the academic vocabulary word “adjective.” Discussion should focus on how the descriptive words add meaning to the text.

Standard Relation to Course: Major

- [ELA.1.R.3.2:](#) Retell a text in oral or written form to enhance comprehension.
 - a. Use main story elements at the beginning, middle, and end for a literary text.
 - b. Use topic and important details for an informational text.

Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Standard Relation to Course: Major

- [ELA.1.R.3.3:](#) Compare and contrast two texts on the same topic.

Clarifications:

Clarification 1: Students are being asked to compare and contrast. During instruction, give students opportunities to see visual representations of similarities and differences using tools such as Venn diagrams or T-charts.

Standard Relation to Course: Major

- [ELA.1.V.1.1:](#) Use grade-level academic vocabulary appropriately in speaking and writing.

Clarifications:

Clarification 1: Grade-level academic vocabulary consists of words that are likely to appear across subject areas for the current grade level and beyond, are vital to comprehension, critical for academic discussions and writing, and usually require explicit instruction.

Standard Relation to Course: Major

- [ELA.1.V.1.2:](#) Identify and use frequently occurring base words and their common inflections in grade-level content.

Clarifications:

Clarification 1: See [Base Words](#) for frequently occurring base words.

Clarification 2: Inflectional endings, the inflections referred to here, are added to the end of a word to add additional information.

Example: Regular verbs add the inflectional ending -ed to indicate the past tense.

Standard Relation to Course: Major

- [ELA.1.V.1.3](#): Identify and use picture clues, context clues, word relationships, reference materials, and/or background knowledge to determine the meaning of unknown words.

Clarifications:

Clarification 1: Instruction for this benchmark should include text read-alouds and think-alouds aimed at building and activating background knowledge. Review of words learned in this way is critical to building background knowledge and related vocabulary. Texts read aloud can be two grade levels higher than student reading level.

Clarification 2: See [Context Clues](#) and [Word Relationships](#).

Standard Relation to Course: Major

- [ELA.K12.EE.1.1](#): Cite evidence to explain and justify reasoning.

Clarifications:

K-1 Students include textual evidence in their oral communication with guidance and support from adults. The evidence can consist of details from the text without naming the text. During 1st grade, students learn how to incorporate the evidence in their writing.

2-3 Students include relevant textual evidence in their written and oral communication. Students should name the text when they refer to it. In 3rd grade, students should use a combination of direct and indirect citations.

4-5 Students continue with previous skills and reference comments made by speakers and peers. Students cite texts that they've directly quoted, paraphrased, or used for information. When writing, students will use the form of citation dictated by the instructor or the style guide referenced by the instructor.

6-8 Students continue with previous skills and use a style guide to create a proper citation.

9-12 Students continue with previous skills and should be aware of existing style guides and the ways in which they differ.

Standard Relation to Course: Supporting

- [ELA.K12.EE.2.1](#): Read and comprehend grade-level complex texts proficiently.

Clarifications:

See [Text Complexity](#) for grade-level complexity bands and a text complexity rubric.

Standard Relation to Course: Supporting

- [ELA.K12.EE.3.1](#): Make inferences to support comprehension.

Clarifications:

Students will make inferences before the words infer or inference are introduced. Kindergarten students will answer questions like “Why is the girl smiling?” or make predictions about what will happen based on the title page. Students will use the terms and apply them in 2nd grade and beyond.

Standard Relation to Course: Supporting

- [ELA.K12.EE.4.1](#): Use appropriate collaborative techniques and active listening skills when engaging in discussions in a variety of situations.

Clarifications:

In kindergarten, students learn to listen to one another respectfully.

In grades 1-2, students build upon these skills by justifying what they are thinking. For example: “I think _____ because _____.” The collaborative conversations are becoming academic conversations.

In grades 3-12, students engage in academic conversations discussing claims and justifying their reasoning, refining and applying skills. Students build on ideas, propel the conversation, and support claims and counterclaims with evidence.

Standard Relation to Course: Supporting

- [ELA.K12.EE.5.1](#): Use the accepted rules governing a specific format to create quality work.

Clarifications:

Students will incorporate skills learned into work products to produce quality work. For students to incorporate these skills appropriately, they must receive instruction. A 3rd grade student creating a poster board display must have instruction in how to effectively present information to do quality work.

Standard Relation to Course: Supporting

- [ELA.K12.EE.6.1](#): Use appropriate voice and tone when speaking or writing.

Clarifications:

In kindergarten and 1st grade, students learn the difference between formal and informal language. For example, the way we talk to our friends differs from the way we speak to adults. In 2nd grade and beyond, students practice appropriate social and academic language to discuss texts.

Standard Relation to Course: Supporting

- [ELD.K12.ELL.LA.1](#): English language learners communicate information, ideas and concepts necessary for academic success in the content area of Language Arts.

Standard Relation to Course: Supporting

- [ELD.K12.ELL.SI.1](#): English language learners communicate for social and instructional purposes within the school setting.

Course Information

General Notes

English Language Arts is not a discrete set of skills, but a rich discipline with meaningful, significant content, the knowledge of which helps all students actively and fully participate in our society.

Standards should not stand alone as a separate focus for instruction, but should be combined purposefully.

The texts students read should be meaningful and thought-provoking, preparing them to be informed, civic-minded members of their community.

Curricular content for all subjects must integrate critical-thinking, problem-solving, and workforce-literacy skills; communication, reading, and writing skills; mathematics skills; collaboration skills; contextual and applied-learning skills; technology-literacy skills; information and media-literacy skills; and civic-engagement skills.

English Language Development ELD Standards Special Notes Section:

Teachers are required to provide listening, speaking, reading and writing instruction that allows English language learners (ELL) to communicate information, ideas and concepts for academic success in the content area of Language Arts. For the given level of English language proficiency and with visual, graphic, or interactive support, students will interact with grade level words, expressions, sentences and discourse to process or produce language necessary for academic success. The ELD standard should specify a relevant content area concept or topic of study chosen by curriculum developers and teachers which maximizes an ELL's need for communication and social skills.
