This course defines what students should understand and be able to do by the end of 7th grade. Knowledge acquisition should be the primary purpose of any reading approach as the systematic building of a wide range of knowledge across domains is a prerequisite to higher literacy. At this grade level, students are building their facility with rhetoric, the craft of using language in writing and speaking, using classic literature, essays, and speeches as mentor texts.

The benchmarks in this course are mastery goals that students are expected to attain by the end of the year. To build mastery, students will continue to review and apply earlier grade-level benchmarks and expectations.

Clarifications:

Clarification 1: There is no requirement that students research the additional questions generated.

Clarification 2: While the benchmark does require that students consult multiple sources, there is no requirement that they use every source they consult. Part of the skill in researching is discernment—being able to tell which information is relevant and which sources are trustworthy enough to include.

Standard Relation to Course: Major

- [ELA.7.C.5.1:](#) Integrate diverse digital media to build cohesion in oral or written tasks.

Clarifications:

Clarification 1: Multimedia elements may include, but are not limited to, drawings, pictures, artifacts, and audio or digital representation. At this grade level, students are using more than one element. The elements may be of the same type (for example, two pictures or a picture and an audio recording). The elements should relate directly to the presentation and help to unify the concepts. The elements should be smoothly integrated into the presentation.

Standard Relation to Course: Major

- [ELA.7.C.5.2:](#) Use digital tools to produce and share writing.

Standard Relation to Course: Major

- [ELA.7.R.1.1:](#) Analyze the impact of setting on character development and plot in a literary text.

Standard Relation to Course: Major

- [ELA.7.R.1.2:](#)

Compare two or more themes and their development throughout a literary text.

Clarifications:

Clarification 1: For the purposes of this benchmark, theme is not a one- or two-word topic, but a complete thought that communicates the author's message.

Clarification 2: Students should continue to work with the concept of universal themes, although mastery isn't expected until 9th grade. A universal theme is an idea that applies to anyone, anywhere, regardless of cultural differences. Examples include, but are not limited to, an individual's or a community's confrontation with nature; an individual's struggle toward understanding, awareness, and/or spiritual enlightenment; the tension between the ideal and the real; the conflict between human beings and advancements in technology/science; the impact of the past on the present; the inevitability of fate; the struggle for equality; and the loss of innocence.

Standard Relation to Course: Major

- [ELA.7.R.1.3:](#) Explain the influence of narrator(s), including unreliable narrator(s), and/or shifts in point of view in a literary text.

Clarifications:

Clarification 1: An unreliable narrator is one who lacks credibility. Because all information is being conveyed through this untrustworthy source, readers have to use inferencing to establish what is likely to be true. Narrators can be unreliable for many reasons including purposeful dishonesty, a lack of information or background knowledge about what that information means, mental illness, or self-deception.

Clarification 2: "Shifts in point of view" refers to a change in the narrator's point of view done for effect. Changes can be in degree and/or person: for example, a shift from third-person limited to third-person omniscient or from first-person limited to third-person limited.

Standard Relation to Course: Major

- [ELA.7.R.1.4:](#) Analyze the impact of various poetic forms on meaning and style.

Clarifications:

Clarification 1: Poetic forms used for this benchmark are sonnet and villanelle.

Clarification 2: Instruction in this benchmark should focus on how the structure of each poetic form affects its meaning.

Standard Relation to Course: Major

- [ELA.7.R.2.1](#): Explain how individual text sections and/or features convey a purpose in texts.
Standard Relation to Course: Major
- [ELA.7.R.2.2](#): Compare two or more central ideas and their development throughout a text.
Standard Relation to Course: Major
- [ELA.7.R.2.3](#): Explain how an author establishes and achieves purpose(s) through diction and syntax.

Clarifications:

Clarification 1: This benchmark focuses on the way in which diction (the author's word choice) and syntax (the way in which an author arranges those words) work together to achieve a purpose.

Standard Relation to Course: Major

- [ELA.7.R.2.4](#): Track the development of an argument, analyzing the types of reasoning used and their effectiveness.

Clarifications:

Clarification 1: For more information on types of reasoning, see [Types of Logical Reasoning](#).

Clarification 2: Instruction in types of reasoning will include fallacies in reasoning. Fallacies that are related to content, informal fallacies, will be the focus. See [Fallacies in Reasoning \(Informal\)](#).

Standard Relation to Course: Major

- [ELA.7.R.3.1](#): Analyze how figurative language contributes to tone and meaning and explain examples of allusions in text(s).

Clarifications:

Clarification 1: Figurative language use that students will analyze are metaphor, simile, alliteration, onomatopoeia, personification, hyperbole, allusion, and idiom. Other examples can be used in instruction.

Standard Relation to Course: Major

- [ELA.7.R.3.2](#): Paraphrase content from grade-level texts.

Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Standard Relation to Course: Major

Clarifications:

Clarification 1: The term perspective means “a particular attitude toward or way of regarding something.”

Standard Relation to Course: Major

- [ELA.7.R.3.4](#): Explain the meaning and/or significance of rhetorical devices in a text.

Clarifications:

Clarification 1: Rhetorical devices for the purposes of this benchmark are the figurative language devices from [7.R.3.1](#) with the addition of irony and rhetorical questioning.

Clarification 2: See [Secondary Figurative Language](#).

Clarification 3: See [Rhetorical Devices](#).

Standard Relation to Course: Major

- [ELA.7.V.1.1](#): Integrate academic vocabulary appropriate to grade level in speaking and writing.

Clarifications:

Clarification 1: To integrate vocabulary, students will apply the vocabulary they have learned to authentic speaking and writing tasks independently. This use should be intentional, beyond responding to a prompt to use a word in a sentence.

Clarification 2: Academic vocabulary appropriate to grade level refers to words that are likely to appear across subject areas for the current grade level and beyond, vital to comprehension, critical for academic discussions and writing, and usually require explicit instruction.

Standard Relation to Course: Major

- [ELA.7.V.1.2](#): Apply knowledge of Greek and Latin roots and affixes to determine meanings of words and phrases in grade-level content.

Clarifications:

Clarification 1: See [Common Greek and Latin Roots](#) 6-8 and [Affixes](#).

Standard Relation to Course: Major

- [ELA.7.V.1.3](#): Apply knowledge of context clues, figurative language, word relationships, reference materials, and/or background knowledge to determine the connotative and denotative meaning of words and phrases, appropriate to grade level.

Clarifications:

Clarification 1: Review of words learned in this way is critical to building background knowledge and related vocabulary.

Clarification 2: See [Context Clues](#) and [Word Relationships](#).

Clarification 3: See [7.R.3.1](#) and [Secondary Figurative Language](#).

Standard Relation to Course: Major

- [ELA.K12.EE.1.1](#): Cite evidence to explain and justify reasoning.

Clarifications:

K-1 Students include textual evidence in their oral communication with guidance and support from adults. The evidence can consist of details from the text without naming the text. During 1st grade, students learn how to incorporate the evidence in their writing.

2-3 Students include relevant textual evidence in their written and oral communication. Students should name the text when they refer to it. In 3rd grade, students should use a combination of direct and indirect citations.

4-5 Students continue with previous skills and reference comments made by speakers and peers. Students cite texts that they've directly quoted, paraphrased, or used for information. When writing, students will use the form of citation dictated by the instructor or the style guide referenced by the instructor.

6-8 Students continue with previous skills and use a style guide to create a proper citation.

9-12 Students continue with previous skills and should be aware of existing style guides and the ways in which they differ.

Standard Relation to Course: Supporting

- [ELA.K12.EE.2.1](#): Read and comprehend grade-level complex texts proficiently.

Clarifications:

See [Text Complexity](#) for grade-level complexity bands and a text complexity rubric.

Standard Relation to Course: Supporting

- [ELA.K12.EE.3.1](#): Make inferences to support comprehension.

Clarifications:

Students will make inferences before the words infer or inference are introduced. Kindergarten students will answer questions like

“Why is the girl smiling?” or make predictions about what will happen based on the title page. Students will use the terms and apply them in 2nd grade and beyond.

Standard Relation to Course: Supporting

- [ELA.K12.EE.4.1](#): Use appropriate collaborative techniques and active listening skills when engaging in discussions in a variety of situations.

Clarifications:

In kindergarten, students learn to listen to one another respectfully.

In grades 1-2, students build upon these skills by justifying what they are thinking. For example: “I think _____ because _____.” The collaborative conversations are becoming academic conversations.

In grades 3-12, students engage in academic conversations discussing claims and justifying their reasoning, refining and applying skills. Students build on ideas, propel the conversation, and support claims and counterclaims with evidence.

Standard Relation to Course: Supporting

- [ELA.K12.EE.5.1](#): Use the accepted rules governing a specific format to create quality work.

Clarifications:

Students will incorporate skills learned into work products to produce quality work. For students to incorporate these skills appropriately, they must receive instruction. A 3rd grade student creating a poster board display must have instruction in how to effectively present information to do quality work.

Standard Relation to Course: Supporting

- [ELA.K12.EE.6.1](#): Use appropriate voice and tone when speaking or writing.

Clarifications:

In kindergarten and 1st grade, students learn the difference between formal and informal language. For example, the way we talk to our friends differs from the way we speak to adults. In 2nd grade and beyond, students practice appropriate social and academic language to discuss texts.

Standard Relation to Course: Supporting

- [ELD.K12.ELL.LA.1](#): English language learners communicate information, ideas and concepts necessary for academic success in the content area of Language Arts.

Standard Relation to Course: Supporting

- **ELD.K12.ELL.SI.1**: English language learners communicate for social and instructional purposes within the school setting.

Course Information

General Notes

English Language Arts is not a discrete set of skills, but a rich discipline with meaningful, significant content, the knowledge of which helps all students actively and fully participate in our society.

Standards should not stand alone as a separate focus for instruction, but should be combined purposefully.

The texts students read should be meaningful and thought-provoking, preparing them to be informed, civic-minded members of their community.

Curricular content for all subjects must integrate critical-thinking, problem-solving, and workforce-literacy skills; communication, reading, and writing skills; mathematics skills; collaboration skills; contextual and applied-learning skills; technology-literacy skills; information and media-literacy skills; and civic-engagement skills.

English Language Development ELD Standards Special Notes Section:

Teachers are required to provide listening, speaking, reading and writing instruction that allows English language learners (ELL) to communicate information, ideas and concepts for academic success in the content area of Language Arts. For the given level of English language proficiency and with visual, graphic, or interactive support, students will interact with grade level words, expressions, sentences and discourse to process or produce language necessary for academic success. The ELD standard should specify a relevant content area concept or topic of study chosen by curriculum developers and teachers which maximizes an ELL's need for communication and social skills.
